Ethox International Receives MedAssets 2009 Platinum Supplier Award

Buffalo, NY (May 3, 2010) – Ethox International, Inc., an integrated OEM design and medical products manufacturer was recognized by MedAssets as a 2009 Platinum Supplier Award winner at the recent 2010 MedAssets Healthcare Business Summit.

MedAssets, a group purchasing organization, works with their suppliers to improve the efficiency of the overall healthcare supply chain through a quality portfolio of products and services for providers.

“Ethox International provides strategic value to our healthcare provider customers with market-leading pricing for Ethox products as well as resources for cost reduction opportunities in the supply chain and clinical improvement,” said Mark Miriani, President, MedAssets Supply Chain Systems. “We applaud their strong growth as part of MedAssets’ contract portfolio and see it as a reflection of the support they provide hospitals and health systems.”

Each year, suppliers are awarded a Platinum, Gold, Silver or Bronze award based on points earned from the following criteria:

- Overall value provided to customers
- Market-leading pricing, cost reduction resources, clinical and healthcare improvement resources
- Contract growth
- Support of Corporate Social Responsibility
- Environmentally friendly, emergency preparedness and response resources, diversity initiatives, charitable giving
- MedAssets Business Partner Support
- Contract launch initiatives, Group Buy participation and utilization of MedAssets supplier support tools
- MedAssets Healthcare Business Summit Sponsorship and Support
